

Personal Fundraiser Page

Step-By-Step How To Guide

Easy Emailing

The system makes it very easy to share your fundraiser page. You can sent it via email Facebook, and even Twitter.

From the Personal Fundraiser Page:

1. Click "Log In" on the left hand side.
2. Enter the Username that you set up the account with.
3. Enter the Password you set up.
4. Click "Log In"

You are now in your account for the page.

5. Click "Promote Page" on the right hand side.

Email:

6. Click the "Invite Friends and Family to Donate" button.
7. Edit the text to the way you like it.
8. Click "Send this message to your email address"
9. Check your email and it will be there. Now simply forward it to whomever you like.

If you use Outlook you can click the "Outlook" button and it will drop it right into your email.

Facebook and Twitter:

1. Simply click the "Facebook" or "Twitter" button and follow the prompts.

Done.
